

# Individual Membership

**JOIN THE IFRS SUSTAINABILITY ALLIANCE** to establish your role as a leader in the evolving field of sustainability disclosure and integrated reporting. Gain access to exclusive insights, best practices, and discounts on resources that help prepare you to explain sustainability-related data and integrated reporting to colleagues and stakeholders. The IFRS Sustainability Alliance: Individual Membership is designed for professionals from all functions of the capital markets, including finance, investment, sustainability, assurance, education and law.

**WITH THEIR \$400 ANNUAL MEMBER FEE, INDIVIDUAL MEMBERS RECEIVE:**

## Best Practices and Insights

- » Regular email newsletters that compile key news and insights
- » Webinars on emerging issues related to sustainability disclosure and integrated reporting

## Networking

- » Exclusive member-only reception at the IFRS Sustainability Symposium
- » Ability to connect with Alliance members and IFRS Sustainability membership team at events

## Discounts

- » Discounts, averaging 20%, on the [FSA Credential](#) and [IFRS Sustainability Symposium](#)

## Demonstrated Leadership

- » Information to include on your resume and LinkedIn profile
- » Access to IFRS Sustainability toolkit with resources to help you speak about the sustainability disclosure and integrated reporting landscape

## COMING TOGETHER TO MOVE THE MARKETS

Members of the IFRS Sustainability Alliance share a belief in the benefits of a coherent and comprehensive system for corporate disclosure and a more integrated approach to the way organizations plan and disclose their approach to value creation. The IFRS Sustainability Alliance focuses on sustainability disclosure standards, integrated reporting and integrated thinking.

Join today and be part of the global community for sustainability standards and integrated reporting.
